DETAILED ACTION

Claims 1-20 are currently pending in this application. Claims 1-18 are withdrawn from further consideration by the Examiner, 37 C.F.R. § 1.142(b), as being drawn to a non-elected invention. The withdrawn subject matter is patentably distinct from the elected subject matter as it differs in structure and element and would require separate search considerations. In addition, a reference, which anticipates one group, would not render obvious the other.

Information Disclosure Statement

Applicant's Information Disclosure Statements, filed on 20 September 2006 and 01 July 2004 have been considered. Please refer to Applicant's copy of the 1449 submitted herewith.

Response to Restriction
